Principal's Report (Announcements/HR & Budget Updates):

Ten days left of school! Tomorrow is the last day of state testing. After that we will have CFEs which run through May 21, 2019.

The following week is device turn in. If you have damage, you can request to see how much money it costs to repair. You will be charged \$50 for the first repair, \$100 for the second and after the third offense you will be charged for the replacement.

Bring your own device is an option, but students must test with a school desktop on the secure school system. School staff are not allowed to repair or help with home brought devices.

The last 2 days of school will be used for make up tests and late device turn in. May 29 is Eighth grade day. Summer reading list is up on the website. This is not required.
