Information

OUR MISSION

Did you know that 75% of unsupervised students are more likely to be exposed to:

- Drugs
- Alcohol
- Premature sexual relationships
- Juvenile crime
- And dropping out of school

Did you know that 80% of students that stay academically engaged are more likely to:

- Pursuit post-secondary education
- Be productive in the workplace
- Model positive citizenship

No Student should stay at home because of an Out-of-School Suspension

No Student should fall behind academically because of an Out-of-School Suspension

No Parent should have to wonder how their child is doing at home unsupervised

No Parent should have to wonder if their child is getting their assignments completed

Our Goal and commitment to you:

- Certified Teachers
- Safe environment
- Technology
- Emphasis on academic success

Suspensions are NOT vacations!
