

# BCCO Training Session for Contractors

The session is free and the topic will be “How to successfully apply for permits and request and pass inspections. This will be an excellent opportunity to ask all those questions that will help you be successful on your projects. Duration will be approximately 1 hour and will be presented via WebEx by the Orange County Public Schools, Building Code Compliance Office.

Please visit the BCCO Website at [buildingcodecompliance.ocps.net](http://buildingcodecompliance.ocps.net) to view session schedules on our events calendar and to download the registration form. This training will also satisfy the requirement to obtain mandatory training as reflected in your contract with OCPS.

If you need further information regarding this very informative training, please contact the Building Code Compliance Office at 407-317-3794 or at [buildingcode@ocps.net](mailto:buildingcode@ocps.net).
