Project Description:

The project scope provides for roof replacement at Lakeview MS (buildings 2, 7, 8, 9, and 10). This project is being separated out of the Four Site Roofing project to expedite the roofing replacement at this campus.

Project Update:

Purchase Order has been issued to the Term Service vendor and we are phasing the project to address buildings as they are requested by the end user, starting with Building 100 in July 2022 and material delivery in the first part of 2023 for the rest of the campus.
