

I am ecstatic to be joining the staff of 113-H-W-4 relief high school as your Lead School Counselor. Entering my 10th year in OCPs, I have been honored to work as a school counselor at Winter Park HS, Wekiva HS and for the last 6 years, Olympia HS. Prior to moving to Florida, I was born in England by way of the Air Force, raised in Maryland and played DI soccer at Old Dominion University in Virginia. Outside of school, I enjoy sports and raising my three children with my awesome husband.

I look forward to collaborating with students, parents and the Winter Garden community as we embark on opening our new school!
