

Parent Access to Edmodo

Once your child has created a Student Account, you are invited to create a Parent Account using your child's unique [Parent Code](#). Once you create your Parent Account, you are automatically observing any Group/class that your child is part of on his/her account. You will need an email address to sign up for your Parent account. Student accounts do not require an email address.

How to Sign Up as a Parent:

1. Obtain the unique 6-digit **Parent Code** from your child's account (this is *not* the same as your child's Group Code/s).
 - The Parent Code is attached to your child's account. Each child has a different Parent Code. You can find your Parent Code the following ways:
 - **Your child's Edmodo Homepage:** the Parent Code is located on the bottom of the left side panel.
 - **Your child's teacher** can provide you with the Parent Code.
2. Go to www.edmodo.com on a web browser (currently, you cannot create your Parent Account on the mobile or iPad Edmodo apps).
3. Click "**Parents**."
4. Fill in the necessary information and your unique Parent Code, and check the box to agree to the [Terms of Service](#) and [Privacy Policy](#).
5. Click "**Sign Up**."

You only need one Parent Account your entire time on Edmodo. Even if you have multiple children using Edmodo, you can [add them all to your one account](#). There is never a need to create a new Parent Account (and there is never a need for your child to create a new Student Account as well). If your child did create a new account, simply obtain the Parent Code associated with your child's new account and [add it to your existing Parent Account](#). As your child joins or leaves classes or schools, your account will automatically update to reflect these changes.

Note: Each child has a different Parent Code. You do not have to share a Parent Account with another parent, relative, or guardian. Multiple Parent Accounts can be set up for one student. Simply use the same Parent Code found on the student's account to create a second Parent Account (must have a different email address).

Parents must have a Parent Code to sign up. The Parent Code is listed on the bottom left of a student's home page. It can also be provided by the student's teacher.
