

ROARING TIMES

Melissa Sarasty, Principal | Luz Hale, Assistant Principal

House of Majime

The Winner is.....

Congratulations to the House of Majime for winning the most points for the month of October!

Our Lovell Family has been working hard towards earning points through academic achievements, house challenges, and good citizenship. This month we will be having our first ever House Party. On **Thursday November 19th** we will be meeting with our houses virtually during the last hour of the day. This will be a time to celebrate our accomplishments as a house. The winning house for the month of **November** will be announced on **December 1st**.

1

MATH

Children learn math best when they can connect math concepts and procedures to their own experiences.

2

SCIENCE

Encouraging your child to ask questions and helping them to explore the natural world, helps build an interest in math and science.

3

READING

Reading at home provides your child with the practice they need to become great readers.

November 18th
Virtual Orchestra Field Trip for grades 3rd - 5th.

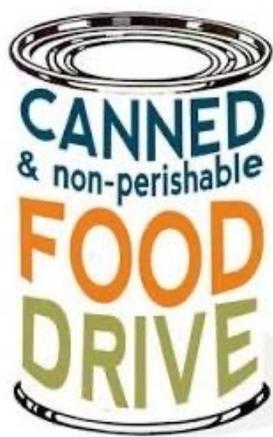

November 19th
• Progress Reports available on Skyward.

• Picture Retake Day: more info on page 2

• Teach-in: more info. on page 2

November 23-27
Thanksgiving Break
NO SCHOOL!

FOOD DRIVE

Starting Monday **November 9th** through **Wednesday November 18th** we will be doing a canned/non perishable Food Drive. This will be a House Challenge opportunity

to show the students the importance of giving to others. The House with the most donations in their designated box will win a special prize at the House Party on Thursday, November 19th.

Hello From Music!

This month we will be focusing on the study of instruments in the music classroom, in ALL GRADES. This is an exciting time for students as they get to watch, listen and even play some instruments in order to best understand them. Our 3rd, 4th and 5th graders will have the opportunity to watch a virtual concert by the orchestra here at school on **November 18th** so please stay tuned for directions on how online students may attend.

What is Teach-In day?

National Teach-In day is on **November 19th**. This is an opportunity for community members to speak with our students about their careers, hobbies or just to share their favorite book. This year we have the opportunity to interact with many interesting community members virtually. If you or someone you know would like to participate please call the front office. The presentation can be pre-recorded or you can log on to interact with a grade level live and answer questions about your area of expertise. Whatever your skills, no matter the topic, there is a classroom of students waiting to hear from you!

Picture Day is Coming!

November 19th is Picture Retake Day for Face-to-Face Students and for all LaunchEd Students who would like to come on campus to have their picture taken. An online sign-up sheet will be available for LaunchEd students to schedule a time to have their picture taken on campus. More information will be posted on ClassDojo and the school website soon!

A MESSAGE FROM MS. SARASTY

We are excited to enter the second nine weeks. Our teachers have worked hard to build relationships with all of their students. If students are needing extra support, please reach out to your child's teacher.

One of the best ways to help your child become a better reader is to have them read any book of their choice for ten minutes a night. The more students read the better they become at it. Ms. Gunter goes above and beyond to get books students enjoy in their hands. Have students read their library books every night. It's okay for a student to read a book more than once. Doing so actually helps them build fluency.

As always, we want to make sure our partnership is strong. If you are in need of any resources, please let us know. Thank you for your continued support.
