Creating Pathways to Career and College Readiness

*Knowledge
is
Power*

Come out and talk with your child's administrative team about topics that will help you to better support your child academically and socially. Also, this will be a great time to learn about and create a positive relationship with the professionals that work with your child everyday.

Conversation Topics

The BEST Standards...What are they, what will my child be learning, how will they be assessed and what can I do to help my child?

How can I help my child in their current grade level to be successful in reading or math?

I think my child needs additional help. Where do I start to get the support I think they may need?

What kind of questions should I ask the teachers when I have a parent/teacher conference?

2 Sessions

Wednesday, August 17th 8:30 am to 9:30 am

Thursday, August 18th 5:30 pm to 6:30 pm

****Light snacks will be served****
