Media Relations
Recipients: Principals, APs and Deans
Subject: Code of Student Conduct Videos

There are eight Code of Student Conduct videos that have been approved for distribution for the 2022-23 school year. Due to the high volume of written, verbal and social media threats occurring this year, we encourage all secondary schools to start showing the threat videos first and then show the other videos individually throughout the school year.

The video topics include:

- Threats via social media
- Written or verbal threat
- Fortify FL app
- Buying/distributing/selling drugs on campus
- Vaping on campus
- Bringing weapons on campus
- Sexual harassment
- A 'did you know' video about Safe Harbor

Videos should be shared **at least once per quarter** with both teachers, students and parents.

Other ways to share the links with your school community are:

- Social Media
- School Website
- School Newsletter
- Connect Orange (email and/or text)

VIDEOS: If you have any issues with the links or if you need a downloadable file please contact shari.bobinski@ocps.net otherwise, the YouTube Links are below.
