Glenridge Middle Sport Participation Physical Form

2022-2023

Paperwork must be received from athlete or parent. **Please allow 24 hours for your eligibility to be processed.** Paperwork will not be accepted if there is any missing information and/or signatures. Physicals are good for one calendar year. If the date of your physical exam expires during your sport's season, you will not be allowed to participate until a new physical is received. A violation of this may cause the team to forfeit contests and/or be fined by the FHSAA.

We STRONGLY recommend completing school physicals at the end of May and/or turn in physical before school ends. **This will clear you for the entire next school year**
