

**Customer Service**  
**Oriented**

Liberty Middle School recognizes the importance of strong parental involvement and its impact on the educational success of the student. We are committed to creating an environment that focuses and supports communication between the school and home. Our staff will communicate with parents via phone calls, emails, conferences, newsletters, informational flyers, and the school's website to ensure all parents are informed of any and all school activities.

*Thanks to our parents  
and community  
members for all their  
help. You are an  
integral part of your  
child's education!*

# Liberty Middle School's Parental Involvement Plan

## Mission Statement:

Liberty Middle School is established as “A Place Where All Students Will Be College and Career Ready”. To ensure that learning occurs, parental involvement is essential. Parental involvement supports student achievement and encourages continued involvement in activities that take place both inside and outside of the school.

## Involvement of Parents:

Liberty Middle School is committed to involving parents in all aspects of Title I programs that occur both inside & outside of school. The School Advisory Council is comprised of faculty, staff, parents, & community members. The primary responsibility of SAC is to develop, review, implement, and evaluate school based plans such as the School Improvement Plan and the Parental Involvement Plan. During these meetings, parents are welcome and encouraged to voice their ideas and opinions regarding the plans.

## Programs to ensure parent involvement:

During the course of the school year, there will be

many opportunities for parent involvement. We will be having a Cambridge Night, FSA/FCAT/Literacy Night, as well as AVID nights. Our fine arts programs have many performances throughout the year, which gives parents the opportunity to listen to and view their children's hard work. Report Card Night is also available for parents to pick up their child's report cards and have the opportunity to speak to the child's teachers if needed. We also have flexible meeting times for parents to meet with teachers, as well as having translators available.
