Boys & Girls Clubs of Central Florida, Inc. Summer Zone, funded by a grant from Orange County Government.

Boys & Girls Clubs of Central Florida will provide reasonable accommodation to students with disabilities, provided these accommodations do not pose an undue hardship on the organization or jeopardize the safety of other students or employees. Management reserves the right to make all program-related decisions on reasonable accommodations. The goal of the Boys & Girls Clubs of Central Florida is to be as inclusive as possible in providing recreational opportunities for all youth. By enrolling your child in the program, you agree that your child has the skill level required to participate, is able to use restroom facilities without assistance, and is able to eat meals and snacks unassisted. If there are any questions regarding your child's ability to participate in our program, the Boys & Girls Clubs of Central Florida may require an individualized assessment. Please note that we are not able to provide one-on-one supervision of your child.
