**ATTENDANCE**

Regular school attendance is important to student success. Children between the ages of six and eighteen are required to attend school regularly or risk being in violation of the Florida Compulsory School Attendance Law, Florida Statute 1003.21. Parents and guardians are legally responsible for making sure their children attend school regularly. When a student returns to school following an absence, he/she must bring a hand-written or typed note the next day signed and dated by a parent/guardian stating when and why the student was absent. This note must be handwritten with a signature and not an email. Be sure the student's full name, grade, and student ID number is included in the note. Students without notes from a parent or guardian will be given an unexcused absence. Failure to bring a note will be treated as truancy. Unexcused absences will be replaced by excused if an acceptable note is presented within 24 hours.

Once students arrive on campus, even though they have not entered the building, they may not leave the school grounds without permission.

**Florida Law** requires students to attend school every day. Excused absences fall under the following conditions:

1. Illness of student
2. Serious illness or death of a member of immediate family
3. Special and recognized religious holidays observed by student's family
4. Other conditions of an emergency or educational nature that cannot be scheduled outside of school hours, as judged by the administration

The law requires compulsory attendance to age 18. A student who is absent from school on the day an activity/sport is scheduled will be ineligible to participate in that activity/sport.

**PRE-ARRANGED ABSENCES**

All pre-arranged absences must be turned in to Ms. Mary Thomas to be approved by Principal Moukaddam.
