

SCOIR FOR PARENTS

WHAT IS SCOIR?

Scoir is a customized, secure website that supports postsecondary college and career planning and exploration. It is designed to assist both students and their parent/guardians in making informed decisions regarding colleges and career opportunities. OCPS has partnered with Scoir to provide these services to our high school students.

WHAT CAN YOUR STUDENT DO IN SCOIR STUDENT?

Students can research college and careers all in one location. They can also create a resume, take a career interest assessment, save important documents online, track application status, and easily communicate with their counselors and teachers.

I'M EXCITED! HOW CAN I ACCESS SCOIR?

Students must invite parents to access Scoir directly from their Scoir account.
