

## **What is Wildcat Outreach?**

Wildcat Outreach is a Winter Park High School PTSA initiative that helps provide in-need WPHS students with basics such as food during school breaks as well as school supplies, clothing and toiletries. Your donations will provide the extra support needed to ensure every WPHS student has the tools needed for a year of success!

## **Why?**

**The needs of our community are greater this year than ever before**

## **How to Help:**

■ Financial contributions can be made on SchoolPay. Collected funds will go toward WPHS students' essential needs. The Wildcat Outreach tab is located under Nonprofit Group on SchoolPay:

<https://www.schoolpay.com/parent/payments/groups>

■ Volunteer opportunities helping in the Closet of Care which are closets on both campuses allowing our students opportunities to "shop" for their needs in a dignified manner.

■ Donate essential items during specific drives throughout the year. Wildcat Outreach collection bins are located in the front office of both campuses as well as various locations in the community for easy drop off of donations.

■ Keep a look out for Wildcat Outreach updates in the PTSA newsletter and FB/IG posts for new and pressing needs such as holiday food drives, winter clothes drives, formal wear drives, and assistance in the Closet of Care, etc.

**Thank you for helping us care for our students in need!**
