| Continuing Workforce Education | <p>Florida Statute 1004.02 defines continuing workforce education. "Continuing Workforce Education" means instruction that does not result in a technical certificate, diploma, associate in applied science degree, or associate in science degree. Continuing workforce education is for:</p> <ul style="list-style-type: none"> a. Individuals who are required to have training for licensure renewal or certification renewal by a regulatory agency or credentialing body; b. New or expanding businesses as described in chapter 288; c. Business, industry, and government agencies whose products or services are changing so that retraining of employees is necessary or whose employees need training in specific skills to increase efficiency and productivity; or d. Individuals who are enhancing occupational skills necessary to maintain current employment, to cross train, or to upgrade employment. | | | | Cost of the course plus 50% |
